## HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Paul and Oprah, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant". This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as

ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

Paul and Oprah, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

## **LIFE PATH**

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Paul, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

### ***Paul and Oprah, your Life Path is 31/4***

Paul and Oprah, you both have the same number in this part of the chart. The following text therefore applies to both of you.

Paul, you are practical, down to earth with strong ideas about right and wrong. You are orderly and organized, systematic and controlled, you are decisive and methodical employing a step by step rational approach to problems solving. Once committed you do not give up easily!

You are not one for "get rich quick" schemes. Rather you use hard work and long hours to build a business or career- you seek to establish a solid foundation. Precise, tenacious and persevering, you have great potential for success, but only after putting out effort and overcoming the limitations you so often encounter. Justice and honesty are sacred to you. You are reliable and dependable, a

cornerstone in the community.

Though not an idealist, you are willing to work for a better world in a realistic way. However, you can be rigid in your ideas and sometimes too quick in judging your fellow man. You are loyal to those you love and work well with others. . It is important that while being part of a team you have your own responsibility and well- defined task, you perform better when your responsibilities are not overlapping with those of others. Paul, you have to be careful not to be bossy and rude. You possess rare discipline and perseverance and not everyone can keep up with you.

You can handle money carefully and like the security of a nest egg.

Your love of work often leads you into a career early in life. Because of your methodical nature you can easily become rigid and stuck in convention. You can also be overly cautious when changes are necessary, this can cause you to miss opportunities that present themselves. You must cultivate flexibility in your character. You are well suited for marriage and often become a responsible loving parent. However, anything that violates your profound sense of order, such as separation or divorce can be a shattering experience for you. You easily become obsessed and even vengeful, seeking your own definition of justice.

Paul, you are courageous and a true survivor. You are a builder and the foundation of any enterprise. Your hard work and practical, traditional values pay off to provide you with the rewards you seek and deserve.

#### ***Your Life Path's compatibility is 4***

Paul and Oprah, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

Paul and Oprah, you both have a four in this part of the chart, indicating a relationship that is either excellent or extremely stressful. There is not much room in the middle.

Your lifestyle requirements are probably very similar. You both like a certain amount of predictability and routine in your lives. That does not mean you don't like to be surprised every once in a while, but you like your daily routines to be firmly established and, preferably, not interrupted.

The success of your relationship relies largely on how compatible your daily routines are. The details are important because both of you tend to get quickly irritated when your carefully established daily routines are disturbed. It is important that you respect each other's needs and habits. Even if other numbers in your charts point to a certain amount of flexibility and adaptability, you both have a tendency to, at least in some areas of your life, create an environment that is finely tuned and designed to accommodate your daily physical, mental and

spiritual needs.

Even aside from your compatibility, you should arrange for yourself a secure, well-organized and predictable lifestyle. You both need a solid foundation to be able to face your daily challenges and opportunities. Unless your daily routines are compatible, it will be impossible for you to sustain this relationship without making some adjustments. Don't attempt to sacrifice part or all of your needs and desires to accommodate your partner. It will work only for the short term. Arrange a more separate routine, instead. There is nothing wrong with two partners living a small part of their daily life without much interaction. It is better than trying to adjust to each other, thereby creating small irritations and minor annoyances that, over time, turn into growing sources of anger.

Paul and Oprah, you are both reliable, dependable people. You honor your promises. This is a powerful ally in your relationship, since it is important for Oprah to be able to rely on Paul, and vice versa. However, if taken too far, your grounded, practical nature can also create a somewhat rigid lifestyle that will most likely lead to frustration and gradual alienation from friends and family members. Lacking tolerance and open-minded acceptance of other people's lifestyles can put a stranglehold on your social life and, indirectly, a strain on your relationship. Therefore, as you may have realized by now, the keywords to your success and to a pleasant relationship are tolerance and flexibility.

## **EXPRESSION**

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your

personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

***Paul, your Expression is 11/2***

Paul, yours is the most highly charged Expression number of all. You are like a lightning rod, attracting powerful ideas, intuitions, and even psychic information like unpredictable bolts.

You are a powerful presence without any awareness on your part of having personal power. You are a channel for higher vibrations. But in order to be emotionally and psychologically at peace, you must learn to control that flow of energy. You possess a bridge between the unconscious and the conscious. The trouble is that the unconscious is an infinite resource, while consciousness by definition is a limited arena. The two are therefore at odds until they can learn to live in harmony with each other. This is where control comes in. Until you are able to control the flow of energy from this infinite source, you may feel like a victim of its whimsy, thrown about by emotional turmoil and nervous tensions.

Paul, you have always sensed that you are different, but it was an indefinable feeling. You are enormously sensitive and aware, especially as a child. This made you vulnerable to all conflicts and painful situations. For most of your upbringing, however, you did not realize that other people did not possess the same sensitivity, nor did they see the same things you were seeing. This caused a great reservoir of emotion that was dammed up behind an inability to express your feelings, even to yourself. For this reason, most 11 Expressions have a difficult childhood. Your extreme sensitivity made you very shy as a child. This usually manifests in adulthood as hesitation and acute vulnerability. You are very careful about sharing your feelings with others and choosing your friends.

You compensated for your sense of separation in childhood by creating an elaborate fantasy world. You daydreamed more than other children. You have a lively imagination and even in adulthood have a hard time separating reality from fantasy.

Paul, your challenge is to bring forth your primitive, earthy strength. You need to be grounded in order to deal with your lightning bolts. The more you are able to call upon your inherent human strength, the greater your capacity to take advantage of your extremely sensitive awareness. Once this is accomplished, your antagonist becomes your benefactor.

You are highly emotional and dependent upon relationships. Emotionally, you go up and down with the fortunes of your love life.

You are idealistic, impractical, and at times disorderly. You are often unrealistic in your expectations.

Your reasons for doing things are usually born of a mixture of logic, emotion, and intuition, which can rarely be explained satisfactorily to your more rational

associates.

The 11 Expression is the number most dependent upon other core numbers in your chart for insight into your vocation. The 11 charges every area it enters, but it needs a grounding vocation and discipline to be effective.

A balanced 11 is one of the most unique and impressive of all people. It is gifted with insight and illumination, which it can transmit to others. This makes you a natural teacher in whatever area you enter.

### ***Oprah, your Expression is 7***

Oprah, you are gifted with an analytical mind and an enormous appetite for the answers to life's hidden questions. You have a strong interest in exploring scientific matters, philosophy, and even mysticism. You possess clarity and persistence in your search for truth. You can be a great researcher, educator, and philosopher.

You are driven by a desire for knowledge and truth. You must learn to discriminate between illusion and reality, but you are well equipped for this task. Your fine mind offers you insight into the veiled mysteries of life. You also possess a considerable amount of perspective. Somewhere inside you, you are aware of a peaceful place that you call upon during difficult times.

Oprah, you need time to be by yourself. Too much social interaction causes you stress. You need your privacy and a place that can be shut off from the hustle and bustle of life. You tend to keep your thoughts to yourself and are secretive. Unless your 7 expression is balanced by extrovert characteristics (usually revealed by the numbers 1, 3, 5, and 8), your introversion may pull you deeply within yourself, even cutting you off from others.

You have a strong dislike of the superficial and mundane. You are often surprised by the lack of understanding or depth of knowledge of others, many of whom do not take the search for knowledge as seriously as you do. This can cause you to be critical of others, and even cynical about life in general.

The more cut off from others you become, the more hidden are your motives. Once you develop understanding of people and life, your advice and counsel will be sought by those around you who need your wisdom.

You love to specialize your knowledge and develop great depth within your field. You are a perfectionist.

You should complete your studies early in life and not be driven too hard by a desire to be successful. Let things come at their own pace, be open to opportunity, but remember your rewards, satisfaction, and contentment come from a higher source.

Sevens can be distant and aloof. When dominated by their darker characteristics, they can be unfaithful, dishonest, and cruel. Contemplation, meditation, and the softer, finer vibrations of life can restore your sense of

harmony and keep you on the path to peace and balance.

Oprah, you have a logical mind. Your analytical skills cause you to approach a problem in a detached, surgical kind of way. Researchers, analysts, investigators, inventors, technicians, scholars, lawyers, bankers, watchmakers, priests, philosophers, theologians, and administrators in some scientific or technical field are among the vocations 7s are drawn to.

### ***Your Expression's compatibility is 2 and 7***

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects “the path you walk on,” and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

In this combination of numbers, intuition meets intelligence, sensitivity meets clinical research, and the heart meets the mind. It would be a challenge to find two more different archetypes than this. Paul and Oprah, yours is a unique relationship. Rarely do two such different numbers express even the slightest bit of interest in each other. But, when they do, the partnership is worth every effort. Almost certainly, you met under strange circumstances, perhaps a situation where you were both out of your usual environment, and, most likely, Paul reached out to Oprah.

Once these two completely different numbers come close enough, the result is often an exchange of energy that welds the relationship for life.

The dangers and pitfalls possible in this combination are generally experienced right at the beginning of the relationship. They are numerous and include the inability to relate to the other person's way of thinking, feeling, and expressing. Paul's love is soft and gentle, idealistic and romantic, emotional and innocently childlike. Oprah's love is like a precious jewel; it requires a lot to earn it. Wisdom

and knowledge, spiritual understanding and an ageless quality strengthen Oprah's love. At the onset of the relationship, this was the big hurdle to overcome. Oprah does not trust love that comes so easily. On the other hand, Paul simply cannot understand why someone would not just respond. After all, what is more natural than love?

Sometimes, a relationship with this combination of numbers occurs after the partners have known each other for many years, when levels of trust and understanding have been achieved before either one of them thought about romance. So, a romance born on such solid foundations and balanced by pure emotions on one side and wisdom and spiritual understanding on the other can't but succeed.

So, be that as it may, once other number combinations bring these two opposite archetypes together into this unique relationship, it takes a hurricane to destroy their bond.

## **HEART'S DESIRE**

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

### ***Paul, your Heart's Desire is 16/7***

Paul, you love knowledge, study, and insight. You value the gifts of your mind, which you use to great advantage to penetrate the mysteries of life. You study things in-depth. You search beneath the surface of things. You abhor shallow judgments or opinions.

You have a natural gift for analysis and research. Once you have grasped the facts of a subject, your creativity and abstract approach lifts your thinking beyond the rudimentary to the philosophical. You have a theoretical mind, but rather than indulge in fantasies or idle thought, you prefer to base your theories upon

scientific facts.

Paul, you enjoy mental and physical puzzles -- figuring them out, taking them apart, and putting them back together.

Some people may perceive you as cool or aloof. You are somewhat introverted; you may feel slightly removed and even a little different. The fantasy of the hermit or monk engaged in a life of study and meditation appeals to you.

In relationships, you tend to keep things business-like and impersonal. You prefer to talk about the facts of a given situation, rather than the cloudier issues of emotions and personal feelings. You distrust feelings -- both your own and those of others. The whole emotional realm strikes you as unreliable, and a bit unnecessary.

Paul, your inability to fully understand the emotional aspect of life is your Achilles heel. You are so rational that the unpredictability of the heart frightens and surprises you.

Your challenge is to trust. You need to share your heart with someone. This is a courageous step for you, but will result in enormous growth and satisfaction.

The advice here is to make a true connection with another human being. Without it, you may marry out of convenience or to fulfill social expectations, but it will not lead you out of loneliness. The more removed you are from people, the more you risk isolation, bitterness, and a cynical attitude toward life.

This choice represents a true crossroads in your development. By sharing yourself with others (without compromising your independence and need for privacy) you can cultivate your enormous charm and share your understanding of life. You are a natural teacher and advisor. And the wealth of knowledge you will accumulate in life is meant to be shared with others.

This is not to say that you must compromise on your need for privacy or time spent alone to contemplate life. These are natural aspects of your personality, which are essential to your growth. These characteristics should not be threatening to your spouse, but must be understood as fundamental to your being.

Paul, you are blessed with a great reserve of intuition, which can be cultivated by regular meditation and contemplation. Your "inner voice" is your greatest guide and friend.

You are idealistic and have high expectations for yourself. Learn to balance your serious nature with regular doses of fun.

Your intelligence and cultivation make you charming and distinguished in appearance. As you get older and more comfortable with your identity, people are naturally attracted to you. They see your wisdom, your deep understanding of life, and the refinement you radiate.

***Oprah, your Heart's Desire is 13/4***

You like to live a stable, well organized life. You dislike sudden changes. You prefer orderliness in all things. You have a systematic mind that is reflected in everything you do. You can establish and maintain a routine. You are exacting with details and quite thorough.

You like to carefully analyze a problem and then tackle it in a logical and practical approach. You want to be dependable, a rock of strength and an example of discipline for others.

Work is central to your life, but you may have a tendency to overdo it; you can easily become a workaholic if you're not careful. You have a great deal of energy and can accomplish a lot.

You want a family and you are a good parent. You may carry the discipline and the need for orderliness too far, especially in your family, making children and spouse feel oppressed and limited. Flexibility is your key to harmony and balance in life. For you, structure is more important than freedom, which you tend to interpret as chaos. But others do not have your need for well defined systems, in fact, they may feel deeply inhibited and uncomfortable with it. The peace you get from orderliness may represent a prison to someone else.

Oprah, you need and want much love, but you are not very demonstrative. You can be a little rigid and stubborn.

You are honest and unpretentious. You detest liars and affectations.

You can be very determined and tenacious. You are the bedrock of any enterprise. You have the courage to go into the nitty gritty of a problem and come up with a solution. Try not to lose sight of the larger picture and dream while you plumb the depths of the bottom line.

### ***Your Heart's Desire's compatibility is 7 and 4***

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

Oprah and Paul, your combination is almost made in heaven. The "almost" can't be left out because there are some sharp angles to be rounded off. This relationship is founded more on intellectual and spiritual levels than on the sensual, physical plane. Oprah is practical and grounded, goal-oriented - Oprah is a doer. Oprah can take ideas, quickly eliminate what won't work or is unrealistic, and then make the realistic ideas materialize. Oprah is of the earth. Paul, on the other hand, is full of ideas and spiritual search, philosophical and a bit of a dreamer. So, earth and heaven make up this combination, and, just like earth and heaven, you can't exist without each other. Although this is only one aspect of the chart, its influence will help you overcome many of the obstacles and challenges inherit in every relationship.

This combination is often found among relationships that started at a very early age - something that can be explained by the fact that both numbers are drawn to each other because what they have to offer is exactly what they need from each other. Oprah experiences Paul's more abstract and philosophical outlook on life as offering freedom and space for Oprah's solid, dependable, but somewhat too structured, restricting views. At the same time, Oprah offers Paul a stable, secure port in an internal universe that is often chaotic and highly unstable. As a number seven, Paul knows the dangers that lurk in the dark corners of the subconscious when the mind wanders too far into the realms of dreams and abstract fears. While Oprah offers a safe haven to Paul, helping Paul find peace and comfort, Paul, in return, brings freedom to Oprah's spiritual and mental experiences. Supported by this mutual complementation, this four and seven combination can bring about childhood romances that will last for a lifetime. The sharp angles I mentioned earlier are found on the more mundane, physical plane. This is where you both may have to compromise if you want your relationship to develop. While Oprah requires order and respectability, Paul is more comfortable with a bit of chaos, in which Paul can pose as an observer, an unconventional observer, not per se seeking the approval of others. If you are successful in compromising on the material plane, your relationship will be very satisfying and you will get as close to the proverbial "soul mates" as any two people can get.

## **PERSONALITY**

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

***Paul, your Personality is 13/4***

Paul, you radiate reliability and consistency. People trust you and feel secure with your judgment. You are seen as a cornerstone of a business and are relied upon to do your work efficiently and expertly.

You have strength and respectability. You tend to dress in a utilitarian manner, concerned mostly with convention, practicality, durability, and price. You present yourself as someone who values correctness, control, and precision.

All of this stems from the fact that your most prized characteristic is your work. You want to be judged on the basis of your performance, rather than your appearance.

You are frugal and have learned to respect a dollar. You are concerned about the security of your future and those you love. However, this may appear to others as a bit too austere.

You tend to wear earth colors and conventional attire. You could benefit by putting a little flair in your dress. Wear more uplifting colors. Loosen your dress with less severe lines. If you wear a brown suit, include a bright tie or some jewelry.

You are a family person. You love the intimacy, consistency, and the security a family provides. You are a good provider and protector. But family members may take your efforts for granted.

Paul, you are a true patriot. You love your country and are an integral part of your community. Your consistency and adherence to your well-laid plans usually pays off in a comfortable and secure future.

### ***Oprah, your Personality is 12/3***

Oprah, you are highly attractive. Many men with a 3 Personality are very handsome; women are often strikingly beautiful.

Your vibration is full of life. You are uplifting, inspiring, and charming. You are a fun person to be around. Your wit and sparkling personality make you the life of a party.

You are extroverted and optimistic. You appreciate fine clothing and jewelry, and enjoy dressing up a bit. You like glamour, and are sought after by the opposite sex.

You are a romantic. Oprah, you fall in and out of love rather quickly. You are affectionate and giving.

Do not let your charm be an incentive to play too much. Work at developing deep and lasting relationships. You have to avoid scattering your attention for popularity.

You can be flippant about commitments and may dramatize or exaggerate.

Your wit can cause you to rely too much on superficial, humorous conversation.

You have a distinct "lucky streak" that attracts many opportunities throughout your life. You also have a knack of promoting yourself as well as inspiring others. When backed up by hard work and self-discipline, these qualities almost ensure your success.

### ***Your Personality's compatibility is 4 and 3***

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

This is both a very promising as well as a very difficult combination. Oprah reveals a fun-loving, optimistic side, a creative, playful, perhaps even childlike nature. Oprah demonstrates to have faith in life and is confident that things will work out, no matter what. In addition, Oprah has a natural, intuitive talent to go with the flow and escape pitfalls almost effortlessly. Paul, on the other hand, is much more grounded, practical, and has a hands-on approach to life. Paul feels that discipline and focus, responsibility, dependability and duty are the requirements to create a life of comfort and contentment. From one perspective, this makes for a nicely balanced relationship. Oprah's approach works for Oprah. Paul has seen the fruits of effort and discipline and knows there is safety in having at least some control. As long as life doesn't throw a monkey wrench in your situation, this can be a harmonious, very satisfying relationship.

But when life becomes a challenge, when problems - especially practical, material, worldly problems - come up, Oprah and Paul, this combination of three and four is one of the least prepared to deal with it. Oprah, you may well start resenting Paul for taking such a hard, grab-the-bull-by-the-horns approach, since Paul is not the type of person who backs away and watches things fall apart. In addition, it is important that you bear in mind that we are talking about problems that did not arise between you, from your relationship, but from outside, issues like a shortage of money, the loss of a job, an expensive illness, or some other unfortunate shift.

Paul will be tempted to look at Oprah and question the amount of effort and sacrifice Oprah is investing during this difficult time. Blame will feed resentment and anger, and soon, instead of forming a combined front to overcome the obstacle, you will turn against each other.

When that happens, Oprah and Paul, you will need to step back and realize that, although you may not understand what motivates your partner to respond so differently from what you believe is the correct and required approach, you should not judge. Oprah, you may not believe that Paul makes any sense. You may well feel that all that effort is misdirected, perhaps even detrimental to a positive outcome, but Paul needs that effort. Paul needs to feel that there is some control.

On the other hand, Paul may blame Oprah for not doing enough, which may be true. On the surface, Oprah may seem to be backing away from the problem. Oprah does not focus on the issue itself as much as on whatever is needed to make it go away, or, at least, to make it bearable. Oprah will bring in the optimism and the motivation to go on. Oprah will point to the light at the end of the tunnel, no matter how tiny or seemingly far away, and when everyone else is ready to give up, Oprah will bring in the much needed energy and get you back on your feet. Oprah is invaluable during such a time. And that, too, takes effort. So, just remember that, although difficult, yours is also a very promising combination, and the key to making the most of it lies on not trying to judge each other, but on combining your many individual qualities.

## **PERSONAL YEARS**

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Paul, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

### ***Paul, your Personal Year for 2021 is 2***

Paul, this is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined.

You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles,

without losing sight of your goal.

You may experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans.

This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Paul, your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even life long relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

### ***Oprah, your Personal Year for 2021 is 8***

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief, Oprah. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large. There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself more clear and focused and able to pursue and reach your goals. Oprah, your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused. There can be loss, serious loss, bankruptcy and failure,

because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

### ***Your Personal Year's compatibility for 2021 is 2 and 8***

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

Paul and Oprah, this is a difficult combination of cycles. Your priorities are not aligned. For Paul, the relationship and all matters of the heart are important at this time. Emotional turmoil is right around the corner. And it won't take much to turn that corner. More sensitive than usual and vulnerable to criticism, perceived neglect, and lack of attention, Paul may be quite demanding in that regard. For Oprah, the relationship takes second, or perhaps third place at this time. Oprah's focal point is everything around the relationship. From friends to career, and from family to finances, Oprah wants to heal and improve everything that surrounds and sustains the relationship, but in the process may not pay much attention to you, Paul.

In addition, Oprah may feel that Paul does not carry enough weight, when in fact Paul's energies are simply directed elsewhere. As you can see, this combination of cycles offers opportunities galore for misunderstandings and disagreements. It is likely that you will experience some rough spots, but it is also likely that at the end of this period you have both brought something to the relationship; Oprah will manage to make improvements in areas outside the relationship while Paul will strengthen the relationship on a deeper level.

### ***Oprah, your Personal Year for 2022 is 9***

This is your year to finish up all unfinished business, Oprah, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts. On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with your self. There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicycle and you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next epicycle.

### ***Your Personal Year's compatibility for 2022 is 3 and 9***

Paul and Oprah, this combination of cycles is quite compatible and it often gives

birth to new ideas and plans for the future. You are both experiencing a time of enhanced creativity. You may plan to remodel the house, buy new furniture, or otherwise change and improve the environment you share.

Oprah, however, is also experiencing a challenging time of powerful emotions. Oprah is on shaky ground and needs a stable environment as well as Paul's support and confidence. Paul is more upbeat and optimistic than usual and can be a much-needed source of comfort for Oprah. Although this does not look like an ideal situation to make changes such as planning a remodel or buying new furniture, it is in the making of such plans and the creative process that Oprah's need to feel secure is enforced.

Paul should be aware that Oprah is not as grounded as usual right now and some patience may be prudent. For Oprah, this is a time of choice and decisions - but on a deep, even subconscious level. Nothing is clear. Nothing is simple. During this combination of cycles much depends on Paul's ability to be a source of strength and comfort for Oprah. Paul and Oprah, the nine-cycle is always the most challenging time for anyone, while the three-cycle is considered one of the easiest and most pleasurable. For that reason, you are lucky to have this combination whereby Paul, with the three-cycle, can support Oprah during the time the nine dominates.

### ***Your Personal Year's compatibility for 2023 is 4 and 1***

Oprah and Paul, as a rule of thumb, the one-and-four combination, when found in this part of the progressive chart, is not compatible. Although both cycles

represent strong drive and motivation, as well as a need to apply and put forth effort, they express it very differently. Oprah, you are motivated in large part by enthusiasm, dreams, hope and a can-do attitude. Paul, your drive is born from frustration and the feeling that you need to break out of a shell that has for too long limited and restricted you. Your frustration may become worse before it gets better, Paul, and your challenge is not to let it vent itself towards the people you love and care for. The four cycle is never an easy one, but, in the end, it invariably brings progress and a breakthrough of some kind. So, Paul, have faith in that and just keep going.

Oprah, don't get impatient with Paul's doubts and frustration. Remember that this is a time of opportunity for you, and that is what you should go for. Just focus on your goals.
